## SPECIAL ARRANGEMENTS TO MEET COVID-19 REGULATIONS

**Attendance** - You must not compete, or even attend, if you, or anyone with whom you have been in close contact in the last 7 days, has been tested positive for Covid 19 or is displaying symptoms.

If you develop symptoms within 7 days of the event you **must** contact the Test, Track and Trace system.

### Please follow these measures to reduce the risk of Covid-19 transmission:

- Wear a face mask when you are inside the HQ.
- Maintain the social distancing rules – 2 metres, if possible, minimum '1 metre plus'.
- Do not congregate outdoors in any group larger than 30 people.
- Take all reasonable steps to reduce the possibility of physical transfer of infection, by handwashing, use of hand sanitizers and minimising shared contact with objects.
- Be aware that the special provisions for 'organised outdoor sport' ONLY apply during the race itself, and that before and after the race normal Covid rules apply.

**A Covid Safety Officer** will oversee all Covid-specific arrangements and ensure that these are being followed before and after the race. Please cooperate fully with his instructions.

**Car parking** - Social distancing rules should be followed in car parking areas. Warming up on static trainers should only take place if there is enough room for social distancing to be maintained.

**Track and Trace** – You must register the details of anyone who accompanies you to the race, either via the QR code that will be displayed at the HQ, or by completing the register at Signing-on.

**Access to the HQ** - There will be a one-way system in operation in HQ.

**Signing-on** (opens at 12:15) Please wait at 2 metres + until the previous rider has finished. Please bring your own pen and safety pins. We are required to undertake a temperature check on all riders, and this will be in the form of a declaration and extra signature on the Signing-on sheet.

**Changing** – Changing rooms are not available. Please change discreetly outdoors, in your vehicle or come already changed.

**Toilets in HQ** – Max 2 people in the room at any time. Please keep your distance if you are waiting in the corridor or outside.

**Starting area** – Each race will have a separate assembly area in front of the circuit. Please maintain social distancing. A short riders' briefing will take place 5 minutes before the race starts.

### **Riding during the race**

All the normal disciplines of bunch racing will apply. In particular, riders must not spit and clear their noses in the bunch. .

At the finish, after crossing the line, please continue on the course to the HQ. Do not return to the finish area.

**Refreshments** – must be consumed outdoors, with appropriate hygiene and distancing measures. Please do not congregate around the serving area.

**Prize Presentation** – There will be a short Prize Presentation, with social distancing, outdoors by the side of the circuit (weather permitting) approximately 30 minutes after the races finish. Under BMCR rules, anyone not attending may forfeit their prize unless they have given apologies to the organiser.

**Results** - Full results will be sent out by email within 24 hours, and posted on the BMCR website and FB.
